School of Vocational Studies

Netaji Subhas Open University

(Established by WB Act (XIX) of 1997, Recognized by UGC)

DD-26, Sector-I, Salt Lake, Kolkata-700064

Greetings from Netaji Subhas Open University!

It is a great pleasure to present this “Students’ Placement Profile, 2019-20” of the School of Vocational Studies (SVS), NSOU. This publication intends to showcase a summary record of placement of students who are working at different organizations after being trained under skill development programmes of this university. In the Open and Distance Learning Institutes like ours, it is very difficult to track the students after their completion of courses. We have been able to collect the placement information from very few among the successful students from different study centres. We are happy that after successful completion of the training, the learners are either entering into the job market or starting their own business as an entrepreneur after having necessary skills in relevant trade.

The Centre for Lifelong Learning (CLL) under the aegis of School of Vocational Studies gives an opportunity to those who have no formal educational qualification. Taking the benefit of flexibility, such people can acquire/ update/ upgrade their skills through the SVS/CLL. The CLL recognizes the Prior Learning Experience and certifies them for acquiring life skill. Among other activities, two major steps have been taken by the School viz. i) Job Fair and ii) Placement Facilitation Service which help the learners interact with the industry representatives.

We are happy to note that through various skill development programmes the youths of the State are making their livelihood either by self employment or by wage employment.

I would like to express my sincere thanks to Professor Subha Sankar Sarkar, Hon’ble Vice-Chancellor for his continuous encouragement in this endeavor.

I am also thankful to other members of the university for their help and cooperation to work for the societal development.

Kolkata
July 2020

(Professor Anirban Ghosh)
Director (i/c), SVS
