Report on the Sensitization of Examination System (Examination REFORM) for Vocational Skill Development Programmes held on 13/6/2024 at 11am (Virtual)

The sensitization programme was conducted to sensitize the coordinators of the study centres and students enrolled under the School of Vocational Studies who are eligible for the Term-end Examination June 2024.

Speaker: Professor Anirban Ghosh, Director (i/c), School of Vocational Studies, NSOU Representative from technical team.

Participants: Students and Coordinators of Study centres (188 in number)

Professor Anirban Ghosh welcomed the participants and initiated the discussion on the examination reform applicable for the upcoming TEE June 2024. He informed that, the time table for the Term-end Examination June 2024 has already been published on the university website for the following courses which will be held during 26-30 June 2024.

1. Tailoring & Dress Designing (advanced Certificate)
2. Tailoring and Dress Designing (Advanced Diploma)
3. Needle work and Knitting (Advanced Diploma)
4. Psychological Counselling (Advanced Diploma)
5. Fire Safety and Security Management (Diploma)
6. Pre-primary Teacher's Education- Montessori (Diploma)
7. Applied Yoga & Naturopathy (Advanced Diploma)
8. Diploma in Applied Art

Since the pandemic, the School has been conducting the term-end examination through digital platform successfully. The process/system of examination has been discussed in detail and it was decided that the theory paper (s) will be conducted through online (MCQ) to assess the domain knowledge of the students and the practical papers will be conducted on face to face mode to assess skills and competency in the specific trade by the respective study centres. The online examination (theory papers) will be conducted through LMS which is pass word protected and can be accesses only through personal user ID and password.The admit card may be collected by the students from their respective Study Centre before the commencement of the examination.

Papers	Mode of examination
Practical papers / project/ Viva	Traditional method (on campus) at the study centres
Theory papers	Online through LMS/ NSOU App (all examinees must have individual user ID and PW)

The technical team demonstrated the process of examination to be followed step by step. They presented the entire process through mobile App.

Helpline for technical support was also provided (033 4058 5127) to the students. The programme ended with Q/A session where the doubts of the students were clarified by the experts.

The entire process was presented through a flow chart for easy understanding the newly introduced examination system.

-----Report prepared by Director (i/c), SVS

Flow chart for appearing at the examination for Theoretical papers.
